

NCTIES

CREATE + COMMUNICATE + COLLABORATE

Who Are We?

NCTIES is an organization that provides leadership opportunities in educational communications and technology by linking all who hold a common interest in the use of educational technology and its application to the learning process. As an ISTE affiliate, we work closely with them to develop and deliver professional development, advocate on behalf of educators and build advocacy capacity among affiliates' members, provide leadership and policy recommendations, and much more.

What We Provide:

- An annual state technology conference
- Network of professional colleagues
- Ideas for integration of technology in the curriculum
- Exposure to the latest technologies
- Awards for outstanding media specialist and technology educators
- Scholarship opportunities
- Technology grants
- Proactive voice for technology statewide
